Exemption from the pension insurance

☐ No, I do not want to be exempted from pension insurance. The employer deducts the employee's contribution to the pension system from the salary and forwards them to the mini-job-center.
☐ Yes, I hereby apply for exemption from mandatory enrollment in the pension system as part of my Minijob and thus renounce the accrual of time in the pension insurance. I have read and understand the "Leaflet regarding the possible consequences of an exemption from the mandatory pension insurance". I am aware that application for exemption applies to all active concurrent Minijobs and is binding for the duration of my employment; it is not possible to revert this decision. I agree to inform all other employers where I work as a Minijobber about this request for exemption.
I declare that the above mentioned information is true and correct. I agree to inform my employer immediately about any changes, especially of additional activities.
